

Start the school year in the know!

Keep reading for answers to the most-asked questions about **Preschool With a Purpose**, our ready-to-go, 10-month preschool curriculum.

Can I pay over time?

Yes! On our website, you'll see an option to pay over time for as little as \$135 per month for one year. You also have the option to pay over a 3-month period.

I don't have 24 students, is **Preschool With a Purpose** still meant for me?

Absolutely! The preschool curriculum has consumables for 24 uses. This means, if you have a class size of 12 students, you will have all the consumable materials necessary for 2 years.

Most of the curriculum materials can be used year after year without needing replenishment. But some consumables, like the student writing journals and weekly parent newsletters, will need to be replenished once they've been used. We have easy options in place for when that time comes.

When would I start using the preschool curriculum?

Preschool With a Purpose brings joyful play to each preschool day from the start of the school year in September all the way through June of the following year.

When will I receive the preschool curriculum?

Preschool With a Purpose is ready to ship now! Shipping and handling take 3-7 business days.
